## PRESIDENT'S MESSAGE

### President Jack Bagley

Summer provides the opportunity for the our Juniors to demonstrate their hard work with their Belties in various Shows and Field Days in many parts of the country. Please continue to support their efforts.

The Council held a meeting in early June in conjunction with the Great Lakes Belted Galloway Association's Field Day in Indiana. The Council had a full agenda, and accepted the recommendations of several Committees who had been assigned tasks in previous meetings.

The Budget and Finance Committee, under Chairman Terry Etheridge (WI), presented the results of its review on the Society's finances (current and future.) The costs allocated to the Society by CLRC for services continue to increase. Members have also been concerned with delays in processing transfers and other paperwork by CLRC.

The Committee learned that the current BGS membership fees are one of the lowest of all cattle breed associations, and fees have not been adjusted in over ten years. Thus, this combination of factors and a commitment by the Council to invest in new breed promotion, member outreach and Junior activities has resulted in a new fee structure that will take effect in 2023.

As a corollary to this review, the Council is undertaking a review of alternatives to the current contract with CLRC for

services. Tommy Fey (TX) is the Chairman of this effort. The results of this exercise will be available at the upcoming Annual Meeting.

The Council also considered a Report from Sheri Riley (TX), Chairman of the Advertising and Promotion Committee. The Council accepted the recommendation to retain Jayde Reilly (WI) to continue organizing the contents and publication of the Beltie Journal. Please support Jayde's efforts in this regard with advertising and feature articles. The Journal is an important piece of our Society's breed promotion and your participation is critical.

Dawson Masters (TX) gave an update on the ongoing conversations by the Show Committee with NAILE on the schedules at Louisville. The goal is to have the Belted Galloway Junior Show during the weekend to allow more Juniors to participate without missing too much school.

The Long Range Planning Committee under Don Henderson (NY) had no updates, but will have a Report at the Annual Meeting.

The last item on the agenda was a presentation by Corinna Caron on her goals and vision for the new position of Director of Breed Promotion and Member Outreach. The presentation is available on [beltie.org](http://beltie.org). I encourage all members to view the presentation and support her efforts.

The Council is supporting Corinna's efforts to address many of the issues raised by the membership over the past few years.

# BGS LEADERSHIP UPDATES

Greg Hipple, BGS Executive Director

The transition between Vic and I is moving right along. I appreciate the membership comments and support. I've been fielding inquiries of several interested parties to the breed, we are being noticed, there is

interest, so keep doing what you are doing!

There has been a large influx of testing requests since Spring. The lab is experiencing about a 10-business day turnaround to return results. With this in mind, I'd like to refresh all the information needed to make application for the DNA and Hypotrachosis test kits. Complete information only speeds up the process. We need the following information: Animal Name, Registration Number (if applicable), Sex, Date of Birth, State of Birth, Color (Black, Dun, Red), Calf Identification (Tattoo), Complete Sire information and Complete Dam information

## A.H. CHATFIELD MEMORIAL SCHOLARSHIPS AWARDED

by Jayde Reilly (WI), US Beltie News Editor

### About the A.H. Chatfield Jr Memorial Scholarship

This fund was established shortly after the Aldermere Farm founder's death in 1999. The purpose was to establish an annual scholarship in his memory available to a member of the Belted Galloway Junior Association or to any other deserving student interested in pursuing a career related to beef production.

### 2022 Scholarship Recipients

The 2022 Annual A.H. Chatfield Jr Memorial Scholarship recipients have been selected!

Luke Daniels, Strasburg, IL  
Ashton Caron, Corinna, ME  
Sage Borders, Sulphur, OK

These three individuals show dedication to the improvement of the beef industry as well as a strong interest in building the Belted Galloway breed for generations to come. More information about these scholarship winners will be featured in the upcoming Annual Belted Galloway Society Journal.

Corinna Caron, BGS Director of Breed Promotion and Member Outreach

Over the next couple of months we will be working on our current website and while we will try to keep any disruption to a minimum if you can't find what you are looking for PLEASE reach out.

We are looking for photos! High resolution photos are needed for our new website, the 2022 Beltie Journal, social media posts, newsletters and more! We will always give credit to the member/farm sending the pics! Please email them to me at [beltieoutreach@gmail.com](mailto:beltieoutreach@gmail.com).

I have started reaching out to Regional groups and have begun forming our first Beltie Junior Council. There is still time to reach out to me if you are interested in being part of this inaugural group. I am very excited about what we will be able to accomplish and if you are a Junior that wants to be responsible for helping future generations of Beltie Juniors I would love to hear from you!! We are planning on meeting virtually at the end of July!!

Speaking of Juniors, have you heard?? There will be a Beltie in the NAILE 2022 Junior Supreme Drive! Mark your calendars for the event of the year - Jr Beltie show is Saturday November 12 and the winner will be in the Supreme Drive Lineup happening Sunday Nov 13!

Are you wondering what my role is? What is it I'm working on? Well take a few minutes and use this link ([https://youtu.be/kG-Bklzj\\_Ck](https://youtu.be/kG-Bklzj_Ck)) to watch this presentation (can also be found on social media and our website) to find out!

If you are interested in getting some of the Beltie Beef promotional cards (as seen here <https://beltie.org/belted-galloway-beef.php>) to help aid your selling of Beltie Beef please reach out to me and we will get that taken care of!

# GLBGA FIELD DAYS

by Terry Willis, GLBGA President

The Great Lakes Field Day was held June 11th during the Regional Round Up Event. The agenda included a meeting and discussion session with the BGS Council and the new Executive Director. Being only one Council Member was in attendance, the GLBGA members attending the Field Day made the best of the situation and created a list of concerns and issues they considered important to the success of the breed to grow and improve. The list was sent to the Council to be addressed with feedback to be provided back to the membership. We went ahead with the discussion that was planned. It was refreshing to have time to talk and get ideas from the breeders and members attending about ways to be more productive in the cattle business, market, and promote their cattle and meat products. John Hamm was a great resource for direct marketing meat. Breeders explained the ways they promote and market their cattle outside of the traditional sale barn.

The adult showmanship contest was held and allowed some older members the chance to relive their glory days showing cattle. The contest was judged by the Junior members who had competed in their own showmanship contest the day before. The Juniors provided some "tips" and "good advice" to the adults on how they could improve their showmanship skills.

A big thank you goes out to all people and families that organized the Regional Round Up Event. It required many hours of work but provided the Juniors with three days filled with many educational contests and clinics to attend. Plus, a Junior show and showmanship contest. It was a huge success and thank you for your efforts. John Hamm and his crew at Wisconsin River Meats provided us with a great lunch of brats and burgers and a tremendous ribeye dinner cooked to perfection. After dinner we held an auction to benefit Area 5 BYG. Many thanks to all the contributors, and especially to all the buyers, that supported the auction.
