The Organising Committee is delighted to invite breeders, owners, enthusiasts and friends of **Black, Belted, White and Riggitt Galloway cattle** from around the world to join us for the **2027 World Galloway Congress**.

This Congress promises to be a truly memorable occasion as we gather in the homeland of the Galloway breed to celebrate not only the strength and success of our global Galloway community, but also the **150th Anniversary of the Galloway Cattle Society of Great Britain and Ireland**.

Over eleven unforgettable days, delegates will experience the very best that Ireland, Scotland and England have to offer. From visits to some of the finest Galloway herds to iconic landmarks including **Titanic Belfast, Glenarm Castle, the Giant's Causeway, Hadrian's Wall, the Ulster Folk Museum**, and the spectacular landscapes of the **Lake District**, the programme has been carefully designed to combine cattle, culture, history and friendship.

The Congress offers a unique opportunity to exchange knowledge, renew old friendships, make new connections and celebrate our shared passion for one of the world's most distinctive native cattle breeds. In this 150th year of the Galloway Society, rare examples of the first herd books will be on display on conference day.

Whether you are a long-standing breeder, a new enthusiast, or simply have an interest in Galloway cattle, we warmly welcome you to be part of this historic celebration. We look forward to sharing our farms, our heritage, our hospitality and our passion for Galloway cattle with you.

Join us for an unforgettable journey through Ireland, Scotland and England as we celebrate 150 years of the Galloway Cattle Society of Great Britain and Ireland and the enduring legacy of the Galloway breed.
