

THE FOCUS

A QUARTERLY BELTED GALLOWAY PUBLICATION

2025 APRIL/MAY/JUNE

OUR MISSION

The object is to promote the Belted Galloway breed of cattle, to preserve the purity of the breed by maintaining pedigree records and data, to disseminate information relative to said breed of cattle and to carry on all legal and proper activities to effectuate the primary purpose of the corporation.

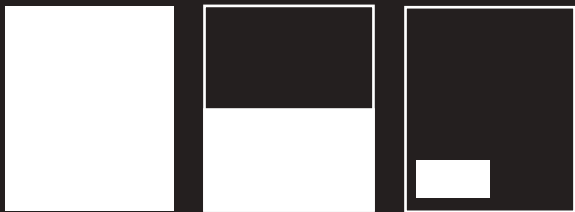

OUR VALUES

1. Provide resources for our membership to learn and develop necessary skills to thrive as a breed.
2. Promote the breed to both consumers as an excellent source of nutrition as well as other livestock producers as a profitable venture.
3. Increase the value of the breed by building the Belted Galloway brand awareness of their place in beef production.

A NOTE FROM THE EXECUTIVE DIRECTOR

Corinna Caron - Corinna, Maine

Happy Summer! We are incredibly grateful for your dedication, support, and passion that continues to strengthen our organization and breed.

DIGITAL BEEF

Digital Beef is now fully implemented and available for you to conduct electronic transactions such as DNA requests, registering animals, transferring animals, leasing animals and more. If you have yet to receive your login credentials for Digital Beef please email Stephanie at bgs.registrar@gmail.com or executivedirector.bgs@gmail.com so we can help get you that information.

The management options and possibilities within Digital Beef for your herd are amazing and if you have watched any of the how-to videos you will hear me say often that this platform will work as much as you want it to, with as much information as you are willing to give it. Keep track of birth weights, weaning weights, temperaments of dams, pasture set ups, calving seasons, animal pictures,

health records and so much more with no extra fees and all right at your fingertips at our Digital Beef site. Do not hesitate to reach out with questions!

2025 BELTED GALLOWAY JUNIOR NATIONALS

As I write this all the final details are being put in place for our Rock'n and Roll'n Belted Galloway Junior Nationals in Medina, Ohio. We have 34 Juniors from all over the country and over 60 head of Belted Galloways making their way to our 5 day event! We truly cannot thank our Belted Galloway community for their support both financially and technically. Our Junior Council has been working tirelessly to make sure this event is memorable! We are so excited to see our juniors and their families build lasting friendships and display their exceptional skill, dedication, and sportsmanship, making the event truly memorable.

OTHER REMINDERS

Please be sure to take the time to read through our educational articles in this issue, meet our scholarship recipients, learn about this year's Annual Meeting, herdbook terminology, and find out how to be part of the next Sire Directory! If you have a story to share or want to take part in a member highlight for a future issue please reach out to our Editor, Jayde Reilly at beltienews@gmail.com.

CONTACT

I want to express my heartfelt gratitude for your dedication to our breed and our shared mission. Your passion and commitment are what make our community so special. I warmly welcome conversations with breeders like you—your insights, ideas, and experiences are invaluable in shaping our path forward. As always I am available via email or you can call or text as well.

Our Mission

The Belted Galloway Society is dedicated to preserving and promoting the heritage, integrity, and continued advancement of the Belted Galloway breed. With deep roots in agricultural tradition and a commitment to innovation, the Society strives to support breeders, enthusiasts, and youth through education, networking, and responsible breed stewardship. At the heart of its mission are values of integrity, transparency, and sustainability—ensuring that every animal represents the highest standards of quality and that every member, from long-time breeders to first-time youth exhibitors, has the resources and encouragement to thrive. Through its programs, publications, and events, the Society fosters a spirit of collaboration and pride, working tirelessly to enhance the visibility and viability of Belted Galloways in today's diverse livestock industry. The Society places a strong emphasis on shaping the next generation of breeders by providing leadership opportunities, educational programming, and mentorship for youth involved in agriculture. It also offers a wealth of resources to adult members on best practices for raising, marketing, and selling Belted Galloway cattle, ensuring success at every stage of the breeding journey. By investing in both the future and present of the breed, the Society creates a strong, supportive foundation for sustainable growth and continued excellence.

REGIONAL UPDATES

NEW ENGLAND GALLOWAY GROUP

PRESIDENT - TYLER JENNESS (ME)

As we're writing this a group of New England Galloway Group's Juniors are headed to Junior Nationals, we wish them the best of luck and hope they have fun while in Ohio!

In April, NEGG's Youth Group hosted a fundraiser at the Fryeburg Youth Show selling burgers, hot dogs and more. This fundraiser enabled NEGG to give each New England Galloway Group youth member a scholarship to attend Junior Nationals! We also gave away a stall divider set to a youth member that participated at the Fryeburg Youth Show.

April also brought the National Belted Galloway Sale, which consisted of high quality cattle and genetic lots from around the country. The highest selling heifer went for around \$6,000, and the average lot price was around \$3,800. In May, we hosted a Spring clinic at Aldermere Farm where youth members learned about judging cattle, clipping/fitting, marketing and showmanship. We had 19 youth members participate in this event, many who will be exhibiting at Junior Nationals.

We're looking forward to our Summer meeting being held at Harmony Meadows Farm in Chepachet, RI on July 19, 2025. We also look forward to hosting the National Belted Galloway Society Annual Meeting in October at Aldermere Farm, we are planning a great weekend and hope to see many of you there!

NEGG Upcoming Events:

July 21 - NEGG Summer Meeting at Meadows Farms

August 23 - September 1 - Windsor Fair Belted Galloway Show

September 10-14 - Big E Belted Galloway Show

October 17-18- BGS Annual Meeting at Aldermere Farm

SOUTHWEST BELTED GALLOWAY ASSN.

PRESIDENT - TBD

Founded originally in 2010 as the Texas Belted Galloway Association, and reorganized and renamed to better serve the southwest geographical area in May of 2013, the Southwest Belted Galloway Association represents the largest number of Belted Galloway Cattle and owners in the United States. Comprising the surrounding states of New Mexico, Oklahoma, Kansas, Nebraska, North and South Dakota, Missouri and Iowa, states west of the Mississippi, the SBGA is a family and fellowship-oriented group of Belted Galloway Cattle owners and breeders that enthusiastically promote and preserve this majestic breed of cattle. Membership on the SBGA is open to all who have an interest in the Belted Galloway Breed of cattle.

Our Mission: The Southwest Belted Galloway Association, has as its primary objectives, the advocacy development and promotion of the Belted Galloway beef cattle. Recognizing the existence of the national organization, the Belted Galloway Society, Inc., the primary function of this corporation will be to provide education about and promote interest in the breed from a regional standpoint. The association will maintain high breeding standards of the Belted Galloway breed with emphasis placed on production and performance and other qualities characteristic of the Belted Galloway breed.

Please follow us on social media for updates throughout the year on upcoming events and other happenings within the Southwest Belted Galloway Association.

REGIONAL UPDATES

GREAT LAKES BELTED GALLOWAY ASSN

PRESIDENT - TERRY WILLIS (IL)

The 5th Annual Regional Round Up was held June 5-8 in Veedersburg, Indiana. There were 21 head and 13 Juniors attending the event. Everyone had a great time and it was a terrific learning experience for everyone who attended the clinics and participated in the contests. The clinics included: Showmanship presented by Jayme Tebbe with a 1 on 1 training session for the Juniors and their calf, a judging clinic was presented by Justin Stierwalt, several topics on herd health was presented by several people. All the Juniors received free samples of Mineral Max provided by Doug Miller, Animal Nutritionists, DMTC Consulting LLC. The Juniors participated in a Junior Show, a Bred and Owned Show, an Other Breeds Show, a Judging Contest, a Showmanship Contest, a Poster Contest, a Photo Contest, and a Stall Decorating Contest. The Juniors received an exhibitor packet consisting of a feed pan, feed scoop, hanging supply bag, showmanship book, and t-shirt donated by Tebbe Farms and the GLBGA Youth Group. The group was treated to a pizza party, taco bar, and a cook out Saturday evening.

The event concluded on Sunday with the Doug Abney Open Show. There were 33 head shown by 15 farms. The Junior Show, Aaron Amick, and Open Show Judge, Sue Schafer, were very impressed by the cattle. Both commented on the depth of quality in the shows and stated the top end heifers and steers could be painted any color and compete in any breed on a national level.

If you are planning on attending the Wisconsin Farm Technology Days 2025 it is being held at Clinton Farms near Bear Creek, Wisconsin, from August 5 to August 7, 2025, stop by the beef tent and see the Belted Galloway display provided by the GLBGA and TEK Cattle.

GLBGA Upcoming Events:

August 5-7- Farm Technology Days, Caddot, WI
September 19-22- World Beef Expo, Milwaukee, WI

WESTERN BELTED GALLOWAY ASSN

PRESIDENT - JOANNA HARRISON (NV)

The Western Belted Galloway Association (WBGA) is proud to represent and support Beltie breeders and enthusiasts across the western United States, fostering education, connection, and advancement within the breed. We are thrilled to announce our 2025 Annual Meeting, which will take place October 3-4 in the vibrant city of Reno, Nevada. This year's event promises an exciting blend of industry insight, community building, and hands-on learning. Whether you're a seasoned breeder or just starting your journey with Belties, we invite you to join us in Reno for an inspiring weekend of connection and collaboration.

ANNUAL MEETING

ROCKPORT, MAINE - 10.18.2025

Mark Your Calendars: 2025 Belted Galloway Society Annual Meeting at Historic Aldermere Farm

The Belted Galloway Society is excited to announce its 2025 Annual Meeting, set to take place on October 17–18 at the iconic Aldermere Farm in Rockport, Maine. This year's gathering promises an unforgettable weekend of fellowship, education, and breed celebration at one of the most scenic and storied Belted Galloway farms in the United States.

A Warm Welcome to Aldermere Farm

Festivities will kick off Friday evening, October 17, at 5:00 p.m. with a casual social hour inside Aldermere's Welcome Center. Members and guests are invited to reconnect around a bonfire with refreshments in hand—an ideal setting to catch up with old friends and meet new ones as we come together to celebrate our shared passion for the Belted Galloway breed.

Saturday: Education, Engagement, and Community

Saturday begins with coffee and donuts served from 9:30 to 10:00 a.m. in Aldermere's Main Barn. The morning will feature a cattle judging exercise inside the Program Barn, along with an overview of the history and impact of Aldermere Farm in the preservation and promotion of Belted Galloways.

The afternoon offers an immersive farm tour and the opportunity to attend both Regional and Council meetings—an important time for member input and Society updates. The day culminates with a 5:00 p.m. dinner, our official annual meeting, and an auction featuring donated items and memorabilia displayed in the hallway of the Main Barn.

We're also honored to welcome Dr. Colt Knight as our guest speaker. Dr. Knight brings a wealth of expertise and enthusiasm that will undoubtedly spark conversation and offer valuable insights for our members.

Plan Your Stay

There are a variety of nearby lodging options to suit all preferences and budgets. We recommend booking early at one of the following local accommodations:

Samoset Resort – (207) 594-2511
Hampton Inn – (207) 594-6644
Inn at Ocean's Edge – (207) 236-0945
The Towne Motel – (207) 236-3377
Cedar Crest Inn – (207) 236-4839

More Details to Come

Complete details, including RSVP information for the meeting and supper, will be sent to members via email and shared on our social media channels in the coming months.

We hope you will join us for this meaningful and memorable event. Whether you're a long-time breeder or new to the breed, the 2025 Annual Meeting at Aldermere Farm is an opportunity you won't want to miss!

REGISTRATION VS RECORDATION

IMPORTANT DIFFERENCES YOU SHOULD KNOW

As dedicated stewards of the Belted Galloway breed, it is essential that we all have a shared understanding of the terminology that underpins our herd records. One important distinction that often causes confusion is the difference between **registration** and **recordation**. Though these terms are sometimes used interchangeably, they are **not** the same—and understanding this difference is vital for maintaining the integrity and transparency of our breed records.

As stated in the **Breeder's Manual**:

“A note on terminology: Appendix females are never referred to as ‘registered’. Rather they are ‘recorded.’”

This important clarification helps preserve the accuracy of our Herd Book and ensures that breeders, buyers, and stakeholders have a clear understanding of each animal's lineage and status.

Since 2000, the Society's office has offered enhanced **Registration and Recordation Certificates**, which feature a five-generation pedigree printed on the reverse side. This has proven to be a valuable tool for breeders seeking to document and showcase an animal's ancestry. As always, it remains critical for members to complete applications thoroughly and precisely so that our records remain accurate and dependable.

To further support clarity, we want to highlight the role of **Section I of the Breeder's Manual** (page V-23), which outlines the eligibility requirements for animals to be **registered in the Herd Book** versus those **recorded in the Appendix**. This section is a must-read for all members who are actively registering or recording cattle.

With our recent transition to the Digital Beef platform, an additional tool has become available to help visually distinguish between the two certificate types. We've introduced a simple yet effective color-coding system:

Red-bordered certificates signify animals that are **registered** in the Herd Book.

Green-bordered certificates indicate animals that are **recorded** in the Appendix, including percentage animals and steers.

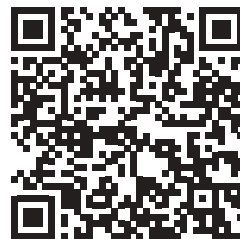

This visual cue allows for quick identification and promotes consistency in how we reference and present our cattle.

Why does all this matter? Maintaining the distinction between registration and recordation is not just about terminology—it supports genetic accuracy, transparent breeding practices, and the long-term integrity of our Herd Book. By using these terms correctly and understanding their implications, we each contribute to the responsible development and promotion of the Belted Galloway breed.

We encourage all members to revisit the Breeder's Manual, which is available on the About tab of our website at [beltie.org] (<http://beltie.org>). Over the coming months, we will be updating the manual to reflect changes associated with the transition from CLRC to Digital Beef, and the new processes that come along with it.

Thank you for your commitment to excellence and for helping us

BELTED GALLOWAY

SIRE DIRECTORY ENTRY FORM

The Advertising and Promotional Committee of the Belted Galloway Society is excited to be putting together the second issue of the Sire/Donor Catalog exclusively for Belted Galloway Cattle. The first issue had a very positive response and the committee decided to follow it with a second issue. This will continue to be very beneficial to the future of the breed, and as such we want to make sure that you have an opportunity to include your AI sires and embryo donors! The Sire/Donor Catalog will include a picture of your sire or donor, up to 2 progeny pictures, a short write up on the animal as well as any data you want to include (birthweight, weaning weight, etc) price per straw/egg and where to purchase. The price to be part of the 2026 issue will be \$50 per bull/donor. Discounts of \$10 per animal will start AFTER 2 entries. This catalog will be available online as well as mailed to breeders across the country. If you want to have your bull or donor included please submit this form with payment to Corinna Caron at 151 Nokomis Rd Corinna Maine 04928. You can also reach out via phone or email at (608) 220-1091 or executivedirector.bgs@gmail.com. To ensure the timely completion and distribution of the catalog please ensure you submit the required info by the October 1st deadline.

JUNIOR COUNCIL REPORT

by Corinna Caron (ME), Executive Director

Creating a Junior Council for the Belted Galloway Association was one of the best moves our association could have done.

Establishing a Junior Council within a cattle breed association is a vital investment in the future of the breed. It provides youth with meaningful leadership opportunities, encouraging them to take an active role in the development and promotion of the breed they care about. By engaging Juniors in decision-making, event planning, and educational programming, the Council fosters responsibility, teamwork, and a strong sense of breed loyalty. Junior Council members gain valuable experience in communication, governance, and advocacy—skills that will benefit them both within and beyond the agricultural industry. Most importantly, the Junior Council ensures that the voices of young breeders are heard and that the next generation is prepared, confident, and committed to carrying the breed forward.

We are actively seeking the next generation of youth that want to be part of our Junior Council. Applications can be found on our website and on the following pages.

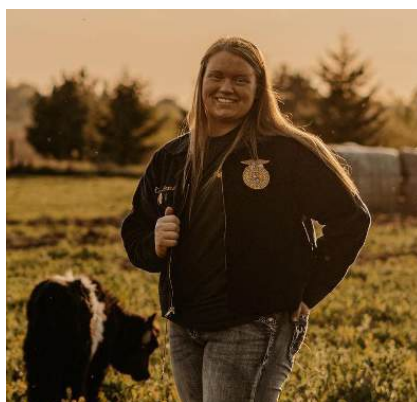

MISSION STATEMENT:

To provide young Belted Galloway cattle enthusiasts a program for developing beef cattle management and leadership skills through our breed-sponsored educational programs at local, state, and national competitions.

The NBGJA cultivates leadership and fellowship through promotion of the Belted Galloway breed for members of the Belted Galloway Society, Inc. who are ages 8-21 years.

The Belted Galloway Junior Association began in late 1996 as the Beltie Youth Group. During 2013, the organization was renamed the Belted Galloway Junior Association by the Council of the Belted Galloway Society, Inc. Shows, education, and activities are sponsored annually by regional Belted Galloway organizations.

The Society recognizes the Kathi Jurkowski Belted Galloway Junior Show as the national show held at the annual North American International Livestock Exposition in Louisville, Kentucky during November. A junior program of activities and contests are held during the NAILE.

Serving on the National Junior Belted Galloway Association (NJBGA) Junior Council is a unique opportunity for young cattle enthusiasts to develop leadership skills, represent their peers, and help shape the future of the breed. By applying for an open board position, juniors not only gain valuable experience in teamwork, event planning, and communication, but also build lifelong connections within the Belted Galloway community. Council members play an important role in promoting youth involvement, planning national events, and being a voice for junior members across the country. If you're passionate about Belted Galloways and ready to lead, we encourage you to apply and make a difference.

BELTED GALLOWAY

NJBGA CODE OF CONDUCT

The Belted Galloway Association offers the following guidelines for National Junior Belted Galloway Association (NJBGA) council members to ensure conduct that reflects the strong, positive values and behavior established during their involvement as a junior member. NJBGA junior members are expected to conduct themselves at all times in a way that benefits their surroundings, the organization and our industry.

The signed Code of Conduct must be submitted along with an individual's NJBGA Junior Council Application and will be maintained at the BGS for the duration of the council members term.

While on the NJBGA Council, I will:

- Obey all rules established by the NJBGA Council and all local, state and federal laws.
- Be respectful and courteous of all people at all times.
- Respect the property and the facilities being used for events and will avoid places or activities that in any way could raise questions as to my safety, moral character or conduct.
- Forego alcohol, tobacco and illegal substances during any NJBGA event during my term of service.
- Refrain from loud, unruly talking, vulgar language; swearing and other unbecoming conduct.
- Dress appropriately for the occasion and event, as deemed by event organizers.
- Demonstrate sportsmanship in all competitions and contests. I will be modest in winning and generous in defeat.
- Utilize teamwork to help others succeed.
- Cooperate in all programs and activities.
- Attend and be on time to meetings, events, and activities.
- Represent the National Belted Galloway Association, the Belted Galloway breed, the beef industry and the agriculture industry with pride.

Consequences of breaking the NJBGA Code of Conduct and any additional rules set forth at any NJBGA-sponsored event may include, but are not limited to, removal from the NJBGA Junior council as well as not being allowed to participate in future NJBGA-sponsored events and/or shows.

BGS Director of Junior Activities and the Executive Director have authority to determine consequences for conduct (listed and non-listed) deemed unacceptable.

By signing this agreement, I acknowledge I have read and understand the National Belted Galloway Association Code of Conduct and pledge to uphold the rules at each conference and event sponsored by the NJBGA/BGS. I am aware that the actions and decisions of both myself and others that violate these rules may result in the loss of privileges. In the event that these rules are broken or abused, I understand my parents and/or guardians will be notified.

TIPS FOR PASTURE MANAGEMENT

Written by Leanne Dillard, PhD
Assistant Professor/Extension Specialist, Forage Systems
Dept. of Animal Sciences, Auburn University

Across Alabama, we have had a cool, wet spring, but finally, as we enter mid-May, our perennial warm-season forages (bermudagrass, bahiagrass, and dallisgrass) are coming to life and greening up. Whether you are in North or South Alabama, warm-season forages are important to keep our cattle grazing year-round. Many times, summer weather can present many challenges to summer grazing. Below are some tips on how to keep your warm-season perennial forages productive throughout the summer months.

1. SOIL TEST AND FERTILIZE

If you have not soil tested already, it is not too late to do so. We suggest soil testing every year in hay fields and every 2 years in pastures. While nitrogen is an important nutrient to promote forage growth, too little phosphorus, potassium, and a low soil pH will make your forages unhealthy. As a result they will not handle the late summer heat and drought stress. Even under perfect soil fertility, pastures across Alabama will likely still have some slack in productivity at some point in late July/August, but well fertilized forages will bounce back faster than those that were not fertilized.

2. DON'T OVER STOCK CATTLE

Behind poor soil fertility, overgrazing or overstocking is the 2nd biggest threat to a productive warm-season pasture. Due to differences in plant physiology, warm-season forages, while lower in forage quality, will out compete other perennial forages in terms of yield potential. Bermudagrass can produce 6 tons of dry matter or more each growing season and bahiagrass 3-4 tons of dry matter. However, as weather patterns change throughout the summer, you will find that forage productivity will also change. As a result, a properly stocked pasture in June, is often overstocked in July or August forcing animals to graze below the recommended height of 3-4 inches which reduces forage persistence.

3. IDENTIFY A SACRIFICE AREA

It is often a good practice to identify a sacrifice area to feed cattle in when the forages are not growing due to lack of rain. This area can be a field that needs to be renovated or a dry lot near the barn. Regardless, this area needs to have access to water and the ability to feed hay and/

or supplement to cattle while they are off pasture. Having the flexibility to remove animals from pasture for as little as 7-14 days will promote long-term persistence of your warm-season forages, and decrease the recovery time of the pasture once the rains return.

4. CONSIDER INCORPORATING SUMMER ANNUALS INTO YOUR PASTURE SYSTEM

Regardless of your location within the state, adding diversity to your pasture system provides insurance against weather, pests, and other unforeseen problems that can arise during the grazing season. Summer annuals (for example crabgrass) can be planted from late April through the end of June providing flexibility to pasture managers. Since they are annuals, the concern of overgrazing during droughty periods is less, because there is not necessarily a need for them to regrow or build root mass prior to the first frost. Crabgrass in particular is a very versatile summer annual that can be broadcast quite easily and will establish fast. While we don't recommend overseeding into an existing warm-season forage stand, research at the University of Tennessee has shown that crabgrass is a good option to repair damage around winter feeding areas. This can add some extra forage production to an area that would not be very productive otherwise. Converting 5-15% of your farm into an annual rotation (winter and summer) can help you achieve year-round grazing by providing bridge forages during the perennial transition periods (late Fall/winter and early summer).

5. BE PATIENT

Being patient is probably the hardest thing by far. During spring green up and after a drought-ending rain, we get so excited about all of the green flush we often jump the gun and turn cattle out early. It is difficult to keep feeding expensive hay or supplement when there is green pasture right next door, but waiting 3-5 days or even 1 week will pay off in the long run. First, waiting 1 week reduces the risk of nitrate toxicity in forages that accumulate nitrates during periods of drought. Second, by waiting those extra few days the forages are able to start stockpiling needed nutrients and rebuild their root structures. Roots are the unsung heroes of our pastures and to keep the forages going the rest of the summer, as well as coming back strong next year, we need to make sure they stay strong. Those few days can be a game changer. Hay and feed are expensive, but re-sprigging a bermudagrass field will be a lot more expensive.

For more information about any of your forage and pasture management needs, please visit www.alabamaforages.com or contact your local Regional Extension Agent (www.aces.edu).

Thank you!

On behalf of the Council, we extend our heartfelt thanks to each and every member of the Belted Galloway Society for your continued support, participation, and dedication. Your membership and shared ideas play a vital role in the growth and success of both the breed and the Society as a whole. It is through your commitment that we are able to preserve and promote the unique qualities of Belted Galloways, while also providing meaningful opportunities for youth involvement and engagement among fellow enthusiasts. Your passion is the foundation that keeps our community strong, forward-thinking, and united in our mission. Thank you for being an essential part of this journey.

We also encourage you to take a moment to connect with fellow members listed in the membership directory included in this issue of the *Focus* publication. Reaching out to others in your area is a great way to foster local fellowship, share knowledge, and strengthen our network of Belted Galloway breeders and supporters. Whether you're seeking advice, mentorship, or simply a friendly conversation, these connections help sustain the collaborative spirit that defines our Society.
